

# We're Hiring

## CREATIVE DESIGNER

### What you'll do

- Design and edit compelling social media posts and videos.
- Design brand elements compatible with relevant resolutions.
- Create dynamic content incorporating the latest design and social media trends.
- Work closely with our marketing team to brainstorm and execute ideas.

### What we expect

- Proficiency in Adobe Creative Suite or any other editing software to bring your visions to life.
- A sharp eye for designs with out of the box thinking style, giving attention to detail.
- Ability to adapt your designs to match with trends.
- Car Enthusiast: Love cars? It's a bonus!
