FIND YOUR 'BETTER' AT AIA

We don't simply believe in being 'The Best'. We believe in better - because there's no limit to how far 'better' can take us.

We believe in empowering every one of our people to find their 'better' - in the work they do, the career they build, the life they live and the difference they make. So that together we can support even more people - including our own - to live Healthier, Longer, Better Lives.

If you believe in better, we'd love to hear from you.

About the Role

Responsible for developing and implementing tax strategies, tax accounting and tax filing / reporting to optimise the tax paid by AIA and to ensure compliance with AIA group tax policy and statutory and regulatory requirements

- Prepare and maintain tax records, returns, reports, and other tax related materials
- Recommend alternative tax treatments to alleviate tax burden and devise legal means to minimise tax liability using thorough knowledge of tax laws and regulations
- Conduct research and analysis of existing and upcoming tax legislation to support AIA's tax planning and tax strategy
- Engage with external tax consultants to keep abreast of tax and regulatory developments and provide tax advice to internal stakeholders

Build a career with us as we help our customers and the community live Healthier, Longer, Better Lives.

You must provide all requested information, including Personal Data, to be considered for this career opportunity. Failure to provide such information may influence the processing and outcome of your application. You are responsible for ensuring that the information you submit is accurate and up-to-date.
