- Produce and edit high-quality video content including product features, brand stories, and social media communication.
- Collaborate with internal teams including merchandising, marketing, and design to develop and execute creative concepts.
- Ensure all visual output aligns with brand guidelines and meets required quality standards.
- Stay updated on industry trends and apply contemporary practices to enhance visual delivery.

### Requirements

- Proven experience in photography and videography, with a portfolio demonstrating strong capability in both areas.
- Ability to handle portrait shoots, product photography, and event coverage with technical accuracy.
- Proficiency in video editing, short-form content creation, and visual storytelling.
- Strong understanding of current creative trends, especially in digital and social media platforms.
- Ability to work collaboratively with multiple departments in a fast-paced environment.
- **Added Advantage:** Knowledge in **3D Model Creation (CLO3D)**.

### Work Location

This is a full-time, on-site position based at the **Hameedia Head Office, Ratmalana**.

### How to Apply

Interested candidates are invited to submit their **CV and Portfolio** to: [careers@hameedia.com](mailto:careers@hameedia.com) within **14 days** from the date of this advertisement.
