FRELLA WELLNESS
SOUTHEAST ASIA'S LEADING SUPPLIER

DIGITAL PRINTING OPERATOR / JUNIOR DESIGNER

FRELLA International is an award-winning wellness products manufacturer for A-grade spas and hotels in the Asian and Middle Eastern hospitality industries. Within a short period of time, FRELLA has established itself as a leading turnkey solutions provider for its customers and clients, meeting globally-recognized standards and quality. As it continues to grow, FRELLA invites applications from suitable candidates for the above post, to join its team and take locally manufactured products to consumers around the world.

Job Description:

We are looking for a skilled Digital Printing Machine Operator who can efficiently handle our printing equipment. The ideal candidate will also have basic design knowledge to prepare and adjust digital files for printing.

Responsibilities:

- Operate and maintain digital printing machines
- Ensure print quality meets company standards
- Troubleshoot minor issues in the printing process
- Basic preparation and editing of design files for print (e.g., resizing, color adjustment)
- Assist in coordinating with the design team if needed

Qualifications:

- Experience with digital printing machines
- Attention to detail and quality-focused
- Ability to work independently and in a team
- Basic knowledge of graphic design software (Adobe Illustrator, Photoshop, CorelDraw, or similar)

Preferred:

- Previous experience in a printing or design-related role

Location : Pannipitiya, SriLanka
Experience Level : Minimum 2 years' experience in similar field

Employment Type : Full-time
Application Deadline : 6th Mar, 2026

How to Apply:

Please submit your resume, cover letter & portfolio showcasing your best work to hr@frellainternational.com Kindly mention "DIGITAL PRINTING OPERATOR OR JUNIOR DESIGNER" Application in the subject line.
