

DANKOTUWA

World-class tableware

Management Trainees

Dankotuwa Porcelain PLC is a premier manufacturer and exporter of high-quality porcelain tableware, renowned for its design excellence, craftsmanship, and innovation. With a legacy of over four decades, we are committed to delivering world-class products while fostering a dynamic and inclusive workplace culture.

Are you ready to accelerate your career in manufacturing?

We are inviting **Mechanical Engineers** and **Production Engineers** to join our **14-month Management Trainee Program** designed to shape the next generation of industry leaders.

Why Join

- Gain hands-on exposure across key manufacturing functions.
- Work alongside experienced mentors and industry experts.
- Develop leadership, problem-solving, and innovation skills.
- Upon successful completion, trainees will have the opportunity to be placed in our permanent cadre.

Who We're Looking for

- Bachelor's degree in Mechanical Engineering or Production Engineering.
- 1–2 years of experience in a manufacturing entity.
- Fresh graduates with strong academic records and passion for manufacturing are also welcome.
- Individuals with curiosity, adaptability, and drive to excel in a dynamic environment.
- Preferably Individuals residing in close proximity to Dankotuwa.

Program Highlights

- Rotational assignments across production, quality, supply chain, and maintenance.
- Structured training modules blending technical and managerial skills.
- Performance reviews and personalized career guidance.
- Competitive stipend and benefits during the program.

If you are looking forward to accelerating your career in manufacturing, please email your resume to careers@dankotuwa.com on or before 13th March 2026.
