

Senior Manager (Retail Stores)

We are looking for experienced Senior Managers to lead and manage our retail store operations.

Requirements:

- Age above 45 years
- Minimum 5 years' experience in a similar senior role
- Strong background in a retail environment
- Proven ability to manage store teams and daily operations
- Good leadership and decision-making skills
- Ability to handle targets, stock control, and customer service standards

Key Responsibilities:

- Oversee day-to-day store operations
- Lead and supervise store staff
- Ensure sales targets and performance goals are met
- Maintain high standards of customer service
- Monitor stock levels and store discipline

If you have solid retail experience and strong leadership skills, we invite you to apply.
