# LOOKING FOR LEADERS

## MARINE FITTER

Ceyline Engineering Services (CES), part of the Ceyline Group since 1991, is Sri Lanka's leading marine engineering company. We are trusted by global ship owners and operators for delivering top-tier ship maintenance, repairs, and engineering solutions that keep vessels efficient and reliable.

We're looking for a Marine Fitter to join our dynamic team!

## JOB ROLE

- Handle fitting, assembly, and repair of marine machinery, structural parts, and piping systems.
- Read and interpret blueprints and technical drawings.
- Align, install, and secure marine components.
- Assist in vessel maintenance and repair tasks.
- Ensure precision, quality, and compliance with marine repair standards.

## QUALIFICATIONS

- NVQ/ITI or equivalent vocational training in mechanical/marine fitting.
- Hands-on experience in marine machinery fitting and repair (shipyard experience preferred).
- Ability to read and understand engineering drawings.
- Knowledge of marine safety standards and procedures.
- Strong teamwork and problem-solving skills.
